This one is one-of-a-kind.
There will never be
another like her!

Classic sophistication with tasteful touches of modern trends create a warm and inviting atmosphere that matches the town in which she was born over a century ago. Each detail, with its own inspiration, means you'll find something new and breathtaking during each visit as her homestory unfolds.

SEATING LOUNGE
+ WINE SELLER

Floating stairs in front of 2 stories of continuous windows with a custom glass wine cellar built in under the stairs.

A chef's kitchen with an oversized island, luxury appliance package, and gorgeous cabinetry that transitions seamlessly to the scullery and laundry room. The scullery houses a sink and additional refrigerator space, while the laundry room, including washer and dryer.

With careful hands and open hearts, pieces of the 1800's home that once sat upon this land were gathered and tucked away to later be restored in the most magical way.

The original 8 x 8 beams that held up the house are exposed in the upstairs bedrooms.

Each detail, with its own inspiration, means you'll find something new and breathtaking during each visit as her homestory unfolds. You'll be tickled pink upon discovering original material from the 1800s peppered throughout this home.

Now, let's get down to brass tacks: you're looking at a custom designer spec home with over 3,500 heated square feet. You'll enjoy four bedrooms, 400 sq ft flex space, four and a half baths, a chef's kitchen, scullery, wet bar, and wine cellar. What's more? A third-level observatory, two-car garage with a double golf cart portico, and multiple bonus spaces.
